

Meal Planner

with grocery lists • 52 undated weeks

WEEKLY MENUS • SHOPPING LISTS • RECIPE CARDS • PANTRY

STARLIT PAGES

How to Use This Planner

- 1 Fill the Favorite Meals and 30 Dinners pages first. When you plan a week, pick from your own list instead of starting from a blank page.
- 2 Check the pantry, fridge and freezer pages before you plan. Build two or three dinners around what needs using up.
- 3 Plan the week on one page: dinners first, then lunches (leftovers count), breakfasts and snacks.
- 4 Write the shopping list right under the menu, sorted by store section, so you walk the store once.
- 5 Note what you can prep ahead: wash greens, cook grains, marinate, portion snacks.
- 6 Keep recipes your family loves on the recipe cards. Weeks are undated: start any week of the year.

Print the whole planner or only the pages you need, as many times as you like. US Letter (weeks start on Sunday) and A4 (weeks start on Monday) are included.

For personal use. Please do not resell or share the files. (c) 2026 Starlit Pages.
