How to Use This Journal

- 1 Set a reading goal for the year. A number, a genre to try, an author to finish.
- 2 Add books you want to read to the To-Read list as soon as you hear about them.
- 3 When you finish a book, color one spine on the bookshelf and add it to the reading log.
- 4 Fill a review page while the book is fresh: rating, favorite quote, what stayed with you.
- 5 Write down who borrowed your books. You will thank yourself later.

Personal use only. Please do not resell the files. (c) 2026 Starlit Pages.
