Planner

A year lived on your own terms

YEAR AT A GLANCE · 12 MONTHS · 53 WEEKS · HABIT TRACKERS

STARLIT PAGES

How to Use This Planner

- 1 At the start of the year, fill in the goals page. Keep it big and honest, not a list of a hundred items.
- 2 At the start of each month, pick three main goals and note important dates. The rest can wait.
- 3 Once a week, ideally on Sunday evening, choose the week's priorities.
- 4 Habit tracker: one box is one day. Don't judge the gaps, watch the chain grow.
- 5 Print the whole planner or single pages as often as you like. Print at 100% scale.

Personal use only. Please do not resell or share the files. (c) 2026 Starlit Pages.
